FIND OUT MORE!

Bowie Baysox (Baltimore Orioles Double-A Affiliate)

Bowie, MD

Lead Broadcaster / Public Relations Coordinator

February 2022 - Present

- Lead play-by-play on all 138 Baysox games in the 2022 season. Additionally, hosted 20 minute pregame show with analysis and team interviews, and 15 minute postgame show with game highlights.
- Planned, created, and executed all production needs for team broadcasts, including sponsorships, advertisements, in-house marketing content, and broadcast imaging.
- Maintained consistent communication and coordination with media members from both Washington D.C. and Baltimore to best promote top Baltimore Orioles prospects through story pitches and interviews.
- Assisted in managing team social accounts with scores, highlight plays, and specific lineup and postgame graphics.
- Hosted daily video content for team social media channels, providing routine analysis of the team.
- Fully rebuilt and revitalized key baseball communications materials, including game notes, rosters, game recaps, and press audio archives.

Erie SeaWolves (Detroit Tigers Double-A Affiliate)

Erie, PA

Broadcasting, Communications, and Media Associate

April 2021 - September 2021

- Play-by-Play on over 100 SeaWolves games for Fox Sports Radio 1330AM and MiLB.tv
- Managed team social accounts with score updates, highlight plays, and promotional graphics. Saw a 20% increase in audience reach on Facebook and Twitter, nearly double video views on YouTube compared to previous seasons.
- Fully designed and produced media elements including game notes, game recaps, gameday programs, and feature stories for Tigers prospects and SeaWolves community initiatives.
- Assisted in managing credentials and movement for local and national media to maximize coverage of the team and multiple nationally-ranked prospects in the Detroit Tigers organization.
- Produced and edited constant video graphics and content to promote the SeaWolves for social and in-park media, including television pregame show, nightly highlight packages, series preview videos, and videoboard promotional content.

Fayetteville Woodpeckers (Houston Astros High-A Affiliate)

Fayetteville, NC

Communications and Broadcasting Coordinator

February 2019 - September 2019

- Play-by-Play voice on all 140 Woodpeckers Games for the inaugural season in Fayetteville
- Designed and produced team media guide, sponsor commercials, broadcast elements, and daily media elements such as rosters, stat packs, game notes
- Produced constant content to promote the new team, including nightly game recaps, press releases, feature stories, and hosted video content with players and upcoming promotions
- Coordinated player and coach interviews with local and national media
- Hired and trained broadcast assistant on media relations, communications, and broadcast procedures over a MiLB season.

University of North Carolina Pembroke (NCAA DII, Peach Belt Conference) Pembroke, NC

Assistant Athletic Communications Director

July 2017 - April 2018

- Play-By-Play Voice for Braves Athletics on radio and video broadcasts
- Supervised and educated student teams to produce live broadcasts with a four camera setup through TriCaster TC40 and 460 systems
- Generated constant video feature content, including recaps, interviews, entertainment pieces, regional 30-minute sports update TV show
- Main athletics video producer for videoboards and all social media, including hype/intro videos and fan engagement clips
- Extensive work with TriCaster and Livetext software to revitalize broadcast quality with updated graphics and addition of instant replay

KMOX 1120 AM

St. Louis, MO

Producer

November 2016 - July 2017 / October 2018 - February 2019

- Produced full broadcasts of regular and postseason St. Louis Blues games for a 10+ station radio network
- Gathered news from players and coaches in the clubhouse following St. Louis Cardinals games for the largest radio network in MLB (110+ Stations)
- Maintained precise station timing and commercial logs
- Wrote detailed descriptions and properly edited audio of shows worked for podcasting
- Assisted in hardware and software transition from AudioVault to WideOrbit for a five-station cluster.

Learfield IMG College

Winston-Salem, NC

Studio Host/Producer (Syracuse University)

September 2019 - March 2020

Lehigh Valley IronPigs (Philadelphia Phillies Triple-A Affiliate)

Allentown, PA

Studio Host/Broadcast Assistant

April 2018 - September 2018

KCLC 89.1 FM / Lindenwood University (NCAA DII, MIAA Conference)

St. Louis, MO

Sports Director/Lead Broadcaster

August 2013 - May 2017
